

GreenCircle Certification System

GreenCircle Certified, LLC certifies
that an independent, third-party evaluation has been conducted for:

ASSA ABLOY Securitron® EcoPower™ Power Supply

99% Energy Savings

Phoenix, AZ

Energy savings were calculated based on an
EcoPower Power Supply product at steady state
compared to a traditional Switching Power
supply product at steady state.*

Certification Period: October 1, 2014 – September 30, 2015

Certification Number: 14-0254

*Assumes no locking or unlocking occurs over 17.5 months (the time it would take for the EcoPower battery to discharge to 50%). Assumes battery discharge rate of 3% per month per PowerSonic Sealed Lead-Acid Batteries Technical Manual. Per laboratory testing, recharging takes four hours for the battery to regain full capacity.
